**IES**

# About Us

- A 42-year-old non-profit organization established in 1980 by a group of economists parliamentarians and industrialists.
- We come together to discuss problems concerning various aspects of the economy and development of our country.
- We do a lot to help industries grow by bringing together the small players and big players of industries in order to allow them to broaden their horizons.

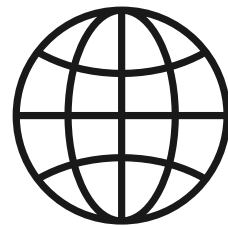

## Word from our President

*"Institute of Economic Studies is a networking platform where we connect with people from different walks of life. In today's world, your network is your net worth. We celebrate the achievements of the visionaries and people who are institutions within themselves. leaders who are think tanks. Your success stories are like guiding lights to others. Your dedication to struggle and handwork is commendable. your contribution towards the development, upliftment, and welfare of society. Growth and the economy, as we all know, go hand in hand. We are playing a significant role in focusing on the MSME in order to highlight the needs, resources, and issues that they face."*

# HOW WE TAKE ACTION

Organizing conferences, award seminars, and informal discussions worldwide.

Introducing individuals from diverse industries to facilitate networking and professional development.

Making available to members the experienced counsel of different industries.

Research and recognise the achievements of rising startup companies

Maintaining cordial relationship with dignitaries at the highest levels, such as ministers, governors, controlling bodies, etc.

# 'Networking Next- Industry Insignia'

Networking Next-Industry Insignia is an event hosted by IES that provides an opportunity for achievers to network with leaders from various industries, share and exchange experiences and ideas, discuss the latest leadership trends, and, most importantly, be recognized at the highest level.

The event will recognize leaders for their exceptional contributions to economic, educational, social, and leadership progress.

# GLIMPSES OF IES

# Why Should IES?

## Brand Recognition

- Our award boosts your brand's recognition.
- Awards show achievement and consumer acknowledgment.
- It also boosts your credibility as an industry expert.

## Establishing a Niche

- By winning your category, you may build a niche and gain positive exposure that sets you apart from the competition.
- A chance to show the corporate world your achievements and impact.

## Industry Leadership

- Awards can boost a business owner's or leader's CV or portfolio.
- You'll gain a reputation as an industry leader and be able to communicate with a wider audience.
- People that know you and your stellar reputation are considerably easier to sell to.

# Why Should IES?

## Network

- Our awards are a possible network of contacts; use them to stay current and active in the industry.
- Winning boosts morale and marketing, but networking with other corporate executives and learning from their success will benefit you in the future.

## Know Your Competition

- Many firms can easily distinguish themselves from the competition.
- Small things differentiate pretenders from contenders.
- Our award seminars let you observe what other companies in your field are doing successfully and learn from them.

## PR Value

- Public Relations Additional news coverage and complimentary publicity is always a good thing.
- A terrific news article for websites and social media platforms, displaying the award in employee and public areas as well as on all business communications and corporate papers can provide further benefits.
